### Pre-School Ready

The transition back to school can be hard on children and parents as well. Here is a few words of advice:

- Stay positive with your child about school.
- Make sure your child is well rested and has a nutritious breakfast.
- Always say goodbye (don't sneak out), give them a hug and kiss goodbye and assure them that you will be back

"Let us always meet each other with smile, for the smile is the beginning of love."
