## Curriculum Corner

**Toddlers and Two's-** Our busy two year olds will be enjoying rhymes and music this month along with listening to stories. They will also explore the number 3, rectangle, brown and compare by weight. These friends will explore new things and work on learning their first and last name. They will also talk about being thankful.

**Three Year Olds-** The curious and busy three year olds will celebrate the Pilgrims. They will learn about their way of life and their friendship with the Wampanoags. In language they will look for P,T,N, name plurals and follow two part instructions. In Math they will identify the rectangle, count out to 7,8,9 and classify by shape. They will also learn their birthday and begin to draw horizontal lines.

**Four Year Olds-** Our Pre-K four students will learn about the Wampanoag Indians during November, learning about their customs and their friendship with the Pilgrims. In language they will look and listen for the letters Pp, Tt and Nn as well as expressing themselves with art and responding to questions. In Math they will identify 7,8 and count out to 10. Physically, they will be able to assemble and disassemble and balance on one foot.

**Music-** Enjoy/respond to music, repeat rhymes, identify and repeat patterns, improve self-regulation skills.

**Bible-** Every good gift and every perfect gift is from above. (James 1:17)

**Prayer Service-** Saint Andrew Dung-Lac
